Our Purpose

To fulfill the command of our Lord Jesus Christ, as stated in Acts 1:8, we undertake work which will help to establish new churches and to build relationships which may lead to the making of Christ's disciples among people living in our community (Jerusalem), in our state (Judea), in North America (our Samaria), and in other countries (to the ends of the earth). Toward this purpose, we will provide prayer and financial support for our church members who undertake approved mission projects locally, regionally, nationally, and internationally. Utilizing the resources of the World Missions Fund, we may also provide financial support to other organizations that share our vision for doing God's work.

Tidewater Transportation Ministries

Every day merchant ships from all over the world come into our port, and the seafarers from all over the world that man those ships need someone that will visit them and serve their needs. Every seafarer you will meet will speak some English and you will have the opportunity to offer a Bible to the seafarer in his birth language.
